

1 - Image in the hero are zoomed and pixelated

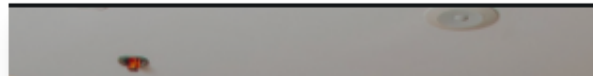

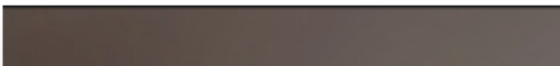

2- The Numbers in the services is not aligned and remove 3d visualization from the website

3- The image of the interior design is replaced with the image of the architecture design

4- There is a black line in top of architecture design and interior design

5- Employees list and images need to be updated (Remove Raiyan and hamida)
(change mohamed and muhanad images)

MEET THE OWNERS

The vision of SM Studios comes from the passion and creativity of its founders.
